At the March 2017 meeting of the East Tallahatchie School District Board of Education, it was approved to move ahead with our 2017 E-Rate winning proposals submitted via sealed bids on 3/7/2017. Pending available funding and E-Rate approval, the following projects will be addressed for the current E-Rate Funding Application Process which will be determined via Funding Commitment decisions for the 2017-2018 school year.

At Charleston Elementary School:

Project	Winning Vendor
Switch	Howard Technologies
Cabling	Synergetics
Wireless	Howard Technologies

At Charleston High School:

Project	Winning Vendor
Switch	Howard Technologies
Wireless	Howard Technologies

At Charleston Middle School:

Project	Winning Vendor
Switch	Howard Technologies
Wireless	Howard Technologies

All proposals will be evaluated for local funding availability. The proposals that were not approved were due to lack of available E-Rate Funding for the High School and the Middle School.

Thank You to ALL that responded to our 2017 E-Rate RFPs!!!
